*Birmingham and West Midlands
Labour Lawyers*

Birmingham and West Midlands Labour Lawyers supports Labour politicians in developing legal policy.

We provide

a forum for our members for discussion, debate and campaigning on current political and legal issues.

We provide the opportunity for like-minded legal professionals to share information.

We seek

to promote change to the legal and justice system, to embed the principles of justice and equality in the law and to work for a fairer society. Through this work we are able to provide a meeting ground for lawyers in the Party and a focus for legal concerns throughout the Labour movement in the West Midlands.

We are

able to provide a conduit for the views of party members in:

- Constitutional law
- Crime
- Employment
- Environment
- Family
- Media
- Corporate finance
- Immigration
- Social Security
- Access to justice
- Personal injury

All members are welcome to attend meetings.
